All All Licensed Warehouse, Excise Factory  
and DFS Operators

**CUT-OVER FROM STORELINK TO WISE SYSTEM**

In May, Jun and Jul 99, training sessions on the implementation of Warehouse Inventory Submission Electronically via Internet (WISE) system were given to licensed Warehouse, Excise Factory and DFS operators. In this regard, I am pleased to inform your that with effect from 2 Sep 99 CED's in house system is ready to accept WISE daily and monthly statements for licensed warehouses (liquor/tobacco and motor vehicles), excise factories and DFS. As from to-day, you will be able to transmit your daily and monthly stock transaction statements with the WISE system on the Internet platform.

2 Please note that the final date of migration from the existing Storelink to WISE system is scheduled on 1 Oct 99. To assist us in the smooth implementation of the WISE system, I would appreciate it if you could take necessary action to perform the migration tasks as shown in the Migration Checklist For Licensee attached. Thank you for your co-operation.
