**FLAT RATE FOR FREIGHT AND INSURANCE FOR
CONSIGNMENTS FROM WEST MALAYSIA**

In Customs Circular No. 21/2001, it was stated that the flat rate for freight and insurance for consignments imported by road from West Malaysia was reduced from 6.5% to 6.0% with effect from 15 Jun 2001. Following a further review, we are pleased to announce that the flat rate of 6.0% for freight and insurance is extended to imports by air, sea and rail from West Malaysia with effect from 15 Jul 2001.

2 The flat rate for freight and insurance is applicable if the invoice value for consignments from West Malaysia is in FOB term or there is no mention of payment term in the invoice or where the freight and insurance charges are not available. Under such circumstances, a 6% will be added to the invoice value to derive the CIF value.
