## **FLAT RATE FOR FREIGHT AND INSURANCE FOR ROAD CONSIGNMENTS FROM WEST MALAYSIA**

We are pleased to inform you that with effect from 15 Jun 2001, the flat rate for freight and insurance for road consignments imported from West Malaysia has been revised from 6.5% to 6%.

2 The Goods & Services Tax (GST) on imported goods is 3% of the CIF value (i.e. sum of the Cost, Insurance and Freight). The flat rate for freight and insurance is used to derive the CIF value if the invoice is in FOB term or where the freight and insurance charges are not known or not available to the importer.
