

TERMS AND CONDITIONS OF THE NA (CWC) LICENCE

This **Licence** issued is subject to the terms and conditions that the company shall:

- a) not develop, produce, stockpile, acquire, retain, or use Schedule 1, 2, 3 or unscheduled Discrete Organic Chemicals (DOCs) for purposes prohibited under the Chemical Weapons Convention (CWC);
- b) apply for the necessary permits for any import or export of Schedule 1, 2 or 3 chemicals:
 - i) apply for an import permit prior to the import;
 - ii) apply for a Strategic Goods export permit at least 5 working days prior to export;
- c) not trade with, acquire or import from, or export to any state not party to the CWC, any Schedule 1 chemicals;
- d) not transfer to or from any state not party to the CWC any Schedule 2 chemicals unless the items are:-
 - i) products containing one percent or less of a Schedule 2A or 2A* chemical;
 - ii) products containing ten percent or less of a Schedule 2B chemical;
 - iii) products identified as consumer goods packaged for retail sale for personal use or packaged for individual use;

An End User Certificate (EUC) shall be submitted to National Authority (CWC) prior to any export to any state not party to the CWC of Schedule 2 chemicals which are found in the categories of products listed above;

- e) submit a EUC prior to any export of Schedule 3 chemicals to any state not party to the CWC unless the items are:-
 - i) products containing 30 percent or less of a Schedule 3 chemical;
 - ii) products identified as consumer goods packaged for retail sale for personal use, or packaged for individual use;
- f) declare to National Authority (CWC) not less than 45 working days before any import and/or export of any Schedule 1 Chemical to any State Party;
- g) declare any production, processing, consumption, import, export, storage, sale or domestic transfer for each of the Schedule 1, 2, 3 and unscheduled DOCs, in the prescribed declaration forms for each calendar year not later than 31 January of the next year;
- h) declare not later than 15 August for Schedule 1 Chemicals and 15 September for Schedule 2 and 3 Chemicals of each year, the anticipated activities for the following year to produce, process, consume each of the scheduled chemical in the prescribed declaration forms;
- i) notify National Authority (CWC) immediately if the company has reached or exceeded the maximum aggregate for the specific scheduled chemical or unscheduled DOC or the total maximum aggregate approved by National Authority (CWC) for the company;
- j) apply for an amendment to the licence at least 14 working days in advance for the :
 - i) addition of new chemical(s);
 - ii) addition of new product(s) containing licensed chemical;
 - iii) addition of new activities involving the licensed chemical;
 - iv) increase in the maximum aggregate allowed for the specified activity(s) of the licensed chemical;
- k) allow the National Authority (CWC) to conduct an inspection of the facility to ensure that the proposed activities are consistent with the company's infrastructure and programme;
- l) be subject to routine and challenge inspections by the Organization for the Prohibition of Chemical Weapons (OPCW) and from the National Authority (CWC);
- m) enter into an agreement with the Government of Singapore regarding inspections of the facility where the Government deems such an agreement to be necessary;
- n) provide the necessary documents to validate any permitted activities within the licence period upon request;
- o) comply with all applicable written laws in Singapore, including the Chemical Weapons (Prohibition) Act, Chapter 37B and the Chemical Weapons (Prohibition) Regulations 2007.

Please note that the Director-General of Customs reserves the right to amend the existing terms and conditions and/or impose further terms and conditions as and when it is deemed necessary.
