**APPLICATION FOR CUSTOMS SUPERVISION/INSPECTION FOR
TEMPORARY IMPORT, RE-EXPORT OR RETURNED GOODS**

1. Currently, requests for Customs supervision or inspection for temporary import, re-export or returned goods are covered by the following four types of application forms:
 - a. Application for Customs supervision on temporary import or export or re-export of exhibition or concert or show goods; repair goods or goods for overseas project.
 - b. Application for inspection/relief from GST under item 15 or 18 of the GST (Import Relief) Order, 1994 on returned goods from overseas exhibition or project.
 - c. Application for supervision/relief from GST under item 15/16/18 of the GST (Import Relief) Order 1994 on goods rejected by overseas buyer or returned upon repair from overseas.
 - d. Application for Customs supervision for placing of identification marks/certification on goods covered by ATA/TDB BOFT Carnets.
 2. Please be informed that we have incorporated the above four forms into a single form. This is to facilitate application for the above services offered by this Department. With the use of the [combined form](#), you are not required to fax the supporting documents together with your application unless these documents are requested by this Department.
 3. The introduction of this new form and the application procedures will be beneficial in terms of the reduction in time and cost for the traders. This procedure will be implemented with immediate effect.
