

Information on Certificates of Origin and Import and Export Documentation Procedures on the Internet

I&E Notice No. 5/96

4 May 96

To: All Traders, Freight Forwarders,
Cargo Agents and Carriers

In our circular ref. I&E Notice 13/95 dated 12 Oct 95, we informed you that the following import and export information was available on the **Internet**:

1. Import and Export Documentation Procedures;
2. List of Controlled Goods and Controlling Agencies; and
3. Import and Export Notices.

We are pleased to let you know that we have also updated and uploaded the information in the handbook ?Certificate of Origin - use it to your advantage? on the **Internet**. We hope that this information will serve as a useful guide for traders and manufacturers who wish to know more about the types of Certificates of Origin issued by the Singapore Trade Development Board, the procedures for applying for these Certificates as well as the documentation system.

For access to all the above information on the **Internet**, please note that the Uniform Resource Locator (URL), ie, web address, in Internet is:

[Import and Export Procedures](#)

For enquiries, please contact the Customs Call Centre at Tel No. 6355 2000.
