

Circular No: 3/96 dated 11 Jan 96

To All Traders and Carrier's Agents

EXCHANGE RATES

1. As the Customs Exchange Rates have been successfully transmitted electronically to all the TradeNet users for the past two fortnights, we will now discontinue with our past practice of faxing them to you. However, these Customs Exchange Rates will still be available in our Customs Tele-Info Phone Services (Customs TIPs) via our telephone No: 2507337.
 2. To further improve the currency of our Customs Exchange Rates, we are pleased to inform that with effect from 20 Feb 96, these rates will be issued on a weekly instead of a fortnightly basis. Such rates will be valid for a period of 7 days.
