## **E-FILING OF APPLICATIONS THROUGH THE INTERNET**

For the payment of customs duty and GST on missing and broken bottles of dutiable liquors and tobacco products found short at the licensed warehouse, the importer or licensed warehouse/excise factory operator has been sending the application by fax to Warehousing Branch for processing. To facilitate the duty and GST payment of such application under the duty recovery mode, we have enhanced our in-house system to allow such application to be sent by electronic filing through the Internet to Warehousing Branch. The facility is available for use on 15 Feb 2000. Upon receiving your e-filed application, Warehousing Branch will process it. Once approved, you will receive a message informing you to transmit a TradeNet declaration for duty payment under duty recovery mode. To enable you to send the application by e-filing, please gain access to Customs homepage at <http://www.gov.sg/customs>.

2 For further information, please contact SC Heng Hua Choong (Tel. No. 3552050) or SC Wong Pei Sun (Tel. No. 3552049) of Warehousing Branch.

3 We would also like to take this opportunity to highlight to you that you should apply for allocation of product codes for liquors and tobacco through E-filing at our Internet homepage. You would receive faster response to your application through email.
