ALL IMPORTERS AND OPERATORS

LANDING CERTIFICATES FOR IMPORTS OF SAND AND GRANITE

With effect from 1 May 95, the requirement to obtain a Landing Certificate from Customs Harbour Branch prior to the import of sand and granite for discharge at the sites other than the Free Trade Zones is dispensed with. Henceforth, all companies importing sand and granite for landing outside the Free Trade Zones must possess a valid joint TDB Inward/GST Payment permit (IG permit) approved electronically through the TradeNet System. The existing arrangement for companies to make the upfront GST payment covering the weekly import commencing Monday and ending on Sunday remains unchanged.

2 With the dispensation, companies are only required to inform Customs Harbour Branch in advance the arrival schedule of craft carrying the sand and granite to the landing sites.

3 If you require any further information, please contact The Duty Officer, Harbour Branch at telephone No 3252936 for assistance.
