Traders and Declaring Agents

Dear Sir/Madam

UPDATE ON DUTY EXEMPTION AND GST RELIEF ON WINE FOR APPROVED EVENTS

Since 1 April 2009, duty exemption and GST relief is granted up to 3 bottles of wine (2.25 litres) per label per day for each exhibitor and the main conference organiser for use at approved wine exhibitions and conference events. This is to promote wine trading activities and help develop the wine industry in Singapore.

2 To qualify for the duty exemption and GST relief, the wine imported must be meant for use at wine exhibitions and conference events approved under the Business Events in Singapore (BEiS) scheme which is open to all businesses/companies or associations in the Meetings, Incentives, Conventions & Exhibitions (MICE) sector. The BEiS is administered by the Singapore Tourism Board and information on BEiS is available in the following url:

<https://www.stb.gov.sg/content/stb/en.html>

3 Wine falling under HS Headings 2204 and 2205 and selected HS Headings 2206 will qualify for duty exemption and GST relief. The list of approved wines has been updated and is attached in the Annex enclosed.

4 Approved wine may be contained in one or more bottles or other containers. The wine may only be used for the purpose of sampling by representatives of any business during the approved event and within the approved premises. Duty and GST will be payable if the tax-exempted wine is sold, disposed of or transferred locally. For ease of identifying the approved wines, good quality temper-proof, non-removable and non-reusable stickers must be affixed on the body of the exempted bottles.

Permit Application

5 Please observe the following revised procedures when applying for a Duty Exemption and GST Relief Certificate (TradeNet® permit) for the wine:

- i. The qualified trader/exhibitor and its authorised agent must be registered with Singapore Customs;
 - ii. The TradeNet® permit under Message Type “IN-NON-PAYMENT” with Declaration Type “GTR” must be declared by the authorised agent for each direct import or release from licensed warehouse;
 - iii. The Place of Receipt to be declared is “**EXEMPTW**” instead of “EXEMPT” and the Place of Release will depend on whether it is a direct import (e.g. KZ) or release from licensed warehouses (e.g. LWxxx);
 - iv. The Claimant information registered with Singapore Customs must be filled. Exhibitors who are not registered in Singapore for business purposes (e.g. foreign companies) will need to instruct their appointed forwarders/event organiser to register with Singapore Customs as claimants before they can submit the required permit applications. Exhibitors registered in Singapore for business purposes must register with Singapore Customs directly as claimants using their own UEN. To register for a claimant, please fill up the claimant application form available on the Singapore Customs’ website at www.customs.gov.sg > E-Services > Customs Forms & Service Links under Registration Forms.
 - v. An import licence from the Singapore Food Agency (SFA) is required for imports of wine. Please obtain the required licence in advance.
- 6 Customs Circular No. 03/2009 dated 9 March 2009 is rescinded.

Yours faithfully
