To Traders and Declaring Agents

Dear Sir/Madam

AWARENESS BRIEFINGS ON CHANGES TO THE STRATEGIC GOODS CONTROL LIST

Updates to the Strategic Goods Control List

In line with Singapore's commitment to our international obligations to prevent proliferation of weapons of mass destruction, Singapore Customs regularly updates our strategic goods control list to be in line with international practices. Singapore's strategic goods control list is prescribed in the Schedule to the Strategic Goods (Control) Order ("SGCO").

2 A new SGCO 2015 will be introduced in the 4th quarter of 2015 to replace the current SGCO 2013. The SGCO 2015 brings Singapore's strategic goods control list up to date with the 2014 Wassenaar Arrangement Munitions List, and the 2014 European Union's List of Dual-Use Items ("EUDL"), which is an amalgamated list of dual-use items controlled by the four multilateral export control regimes, i.e. the Wassenaar Arrangement, the Missile Control Technology Regime, the Australia Group and the Nuclear Suppliers Group. Further details on the SGCO 2015 will be announced in the coming weeks.
