Classification of Goods

1. Is there any website that we can go to search for the HS code of certain products?
2. Our supplier has provided us with a CAS Number 7758-05-6 for potassium iodate 100%. Where can we find the HS code?
3. Previously, the HS Alphabetical Index (AI) is presented together with the classification book. Why is it being taken out?

Instead of in print form, the HS Alphabetical Index (AI) is now available [here](#) in electronic form at the Singapore Customs website to enable updating of the Index with new entries from time to time. Traders can also download a copy for their own reference.
