

CIRCULAR

01 Dec 2010

Meat Traders

[All declaring agents are requested to inform the importers on the contents of the circular.]

Dear Sir/Madam

Sampling Of Parma Ham On-site

In response to feedbacks that Parma Ham is too costly to submit the whole piece for laboratory testing, AVA has decided to allow the cutting of the Ham in its approved Inspection Room for sampling.

Importers who chose to cut their Parma Ham are required to provide the following tools/items to facilitate the cutting:

- 1) Cutting knife
- 2) Cutting board
- 3) Alcohol wipes/swab
- 4) Sterile bag
- 5) Disposable gloves

Please feel free to contact Mr Khoo Soon Huat at 67952841 or Mr Andy Lee at 67952856 if you need further clarifications.

Thank you.

Yours faithfully,

Khoo Soon Huat
Senior Quarantine & Inspection Officer
For Director-General
Agri-Food and Veterinary Services
