Dear traders and declaring agents,

**CHANGE OF UOM UNDER AHTN 2012 HS CODES 33049930, 33051090 AND 33069000 FOR COSMETIC PRODUCTS**

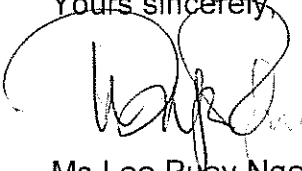

With effect from 1December 2011 under TradeNet<sup>®</sup>4.1, the Unit of Measurement (UOM) for cosmetic products with product codes under AHTN 2012 HS code 33049930, 33051090 and 33069000 will follow the UOM of the HS codes. Companies are to ensure that the UOM for both the HS and product codes are the same.

HS Code	HS Description	Product Code	Product Code Description	Product UOM
33049930	Other face or skin creams and lotions	HSACOSCRM	Face and skin creams and lotions (non-medicated)	Follow the HS UOM
33051090	Shampoos without anti-fungal properties	HSACOSSMP	Shampoo for cosmetic use	Follow the HS UOM
33069000	Other preparations for oral or dental hygiene	HSACOSCOD	Mouthwash, Gargle, Breath Fresheners (Liquid/Spray), not intended for the treatment of human ailments	Follow the HS UOM

2 Please email [HSA\\_CCU@hsa.gov.sg](mailto:HSA_CCU@hsa.gov.sg) or contact any of the following officers of the Cosmetics Control Unit, HSA, if you need further clarifications:
