Dear Sir / Madam

OUTBREAK OF AVIAN INFLUENZA (AI) IN HUNGARY

Hungary reported an outbreak of H5N8 Highly Pathogenic Avian Influenza (HPAI) in a poultry holding located in Fuzesgyarmat, Bekes County.

In view of the outbreak, AVA will impose a temporary restriction on the importation of poultry and poultry products from Hungary with immediate effect. Heat-processed poultry products, which meet the requirements for heat inactivation of AI virus, will not be affected.

Please contact Mr Lai Fah Choong or myself at 6805 2857 / 6805 2854 should you have any enquiries on the import of poultry and poultry products.

Yours faithfully
