23 March 2018

Meat Traders

Dear Sir / Madam

OUTBREAK OF AVIAN INFLUENZA (AI) IN GERMANY

Germany reported an outbreak of H5N6 Highly Pathogenic Avian Influenza (HPAI) in a poultry holding located in the district of Nordfriesland in Schleswig Holstein.

In view of the outbreak, AVA imposed a temporary restriction on the importation of poultry and poultry products from Germany, with effect from 20 March 2018. Heat-processed poultry products, which meet the requirements for destruction of AI virus, will not be affected by the import restriction.

Please contact Ms Lily or Ms Zawiyah at 6805 2857 / 6805 2863 should you have any enquiries on the import of poultry and poultry products.

Yours faithfully

Li Lu
Senior Executive Manager (Food)
Quarantine & Inspection Group
for Director-General
Agri-Food and Veterinary Services
