Circular No: 13/2015
28 Sep 2015

To Traders and Declaring Agents

Dear Sir/Madam

ADVISORY: CUSTOMS SUPERVISION OF UNSTUFFING OF CONTAINERS

Singapore Customs conduct selective customs supervision of unstuffing of import containers and transhipment containers going to unmanned places to ensure compliance with regulatory requirements, such as to check that all goods conveyed in the containers have been accurately declared to Customs.

2 A container that has been selected for customs supervision of unstuffing will be sealed with a customs red seal and affixed with a warning tag (see Annex A) at the time of clearance at the checkpoint. A “Notice to Haulier” (see Annex B) will be issued to the prime mover driver to inform the trader of the customs supervision requirement. Traders are reminded not to break the customs red seal and/or unstuff the container without prior approval from Singapore Customs.

3 Traders should apply for customs supervision of unstuffing within one working day of clearance of the container from the checkpoint. The application is to be submitted via e-filing at www.customs.gov.sg. The intended date of unstuffing operation should be at least one working day from the date of e-filing. The actual time slot allocated for the customs supervision operation is subject to our manpower availability.

4 The hours for conducting customs supervision of unstuffing are 8.00 am to 5.00 pm on Mondays to Fridays and 8.00 am to 12.30 pm on Saturdays. No customs supervision is conducted on Sundays and Public Holidays. A fee will be levied for customs supervision.

5 The unauthorised breaking of customs red seal is an offence under Regulation 16(4) of the Customs (Container) Regulations. Any person guilty of breaking a customs red seal shall be liable on conviction to a fine not exceeding $5,000 and, in the case of a second or subsequent conviction, to a fine not exceeding $8,000.
6 For more information on e-filing for customs supervision, you may contact our call centre at 6355-2000 or email your enquiries to customs_whsg_supervision@customs.gov.sg.

Yours faithfully

Fauziah Abdul Sani
Head Company Compliance
