

Notice No: 12/2017
11 September 2017

To Traders and Declaring Agents

Dear Sir/Madam

NATIONAL TRADE PLATFORM

The National Trade Platform (NTP) aims to be the one-stop trade information management system for companies in the trade and logistics industries and adjacent sectors such as trade finance. The system will eventually replace the current TradeNet and TradeXchange systems.

2 The NTP will start to roll out new TradeXchange Services (B2B services) from end-2017 when existing TradeXchange users will be able to transit to the new platform.

3 Existing TradeNet Services (B2G services) and other new NTP services will be made available from 2018 onwards. During this transitional phase, CrimsonLogic Pte Ltd will continue to operate the current TradeNet services.

4 For more information on NTP, you may refer to www.customs.gov.sg > About Us > National Single Window > National Trade Platform.

Yours faithfully

Ivy Chong
